PRESS RELEASE

*Funforge to publish and distribute EVOLUTION™
in French speaking countries*

Paris (France) – April 13rd, 2016,

Today, [Funforge](http://www.funforge.fr) is very pleased to announce that [North Star Games](http://www.northstargames.com), LLC awarded Funforge the rights to publish and distribute their board game [Evolution](http://www.funforge.fr/evolution)™ in all French speaking countries. It will be available in these countries by the end of 2016.

For now, this partnership only concerns Evolution™, not the expansions. Of course, both companies expect to have further collaborations on Evolution™. Stay tuned on our respective social networks for more details.

So far, Evolution™ already sold over 40.000 copies worldwide.

About the game: Evolution, the dynamic game of survival!

In a dynamic ecosystem where food is scarce and predators lurk, your species will have to adapt to survive. With other 12,000 ways to evolve your species, every game becomes a different adventure. So gather your friends and see who best adapts to the changing world around them.

Category: board game | Number of players: 2-6

Playing time: 50–70 min | Authors: Dominic Crapuchettes, Dmitry Knorre, Sergey Machin

Artists: John Ariosa, Giorgio De Michele, Catherine Hamilton, Kurt Miller, Jacoby O'Connor.

ABOUT NORTH STAR GAMES

[North Star Games](#) strives to bring more people into board gaming by publishing party games that focus on social interaction rather than fierce competition and strategy games that have simple, intuitive rules with deep, strategic game play.
